Die Liebe zum Schmuck ist es,
für die wir bei Quinn leben und arbeiten.

Natürlichkeit und Authentizität sind uns dabei besonders wichtig.
Dies zeigt sich in der hohen Qualität der Verarbeitung
ebenso wie im klaren und schlichten Design unseres Schmucks.

So schaffen wir authentischen Schmuck für echte Gefühle.

The love for jewellery constitutes the basic
principle of our everyday life and work at Quinn.

We set great store by adopting a natural approach and acting
with integrity. All of this is reflected in the high quality of
workmanship and the clarity and simplicity of our jewellery design.

That's how we create authentic jewellery
for genuine feelings.

For us, sustainability means consciously using recycled precious metals, such as old silver and old gold, as far as possible and thus manufacturing jewelry responsibly.

We have the goal to further increase the use of sustainable materials in order to minimize our environmental footprint and do our part to protect the planet.
